

MACEDONIAN

ANNUAL GALA

To Whom It May Concern,

Macedonian Christian Academy needs your financial help for our Annual Gala. Your tax-deductible gift will directly fund tuition scholarships for the students of Macedonian Christian Academy as well as investing in special projects to further the ministry of the school. Will you help us? Here are two ways you can participate:

- 1. Make a monetary donation to Macedonian Christian Academy**
- 2. Become an Macedonian Gala Event Sponsor**

Since 1987, Macedonian Christian Academy has been serving the Rio Grande Valley, with students attending from Harlingen, Mission, Edinburg, and everywhere in between. Macedonian Christian Academy, a dba of Missionary Evangelism Inc., is a non-profit, 501(c)3 Christian school with approximately 225 students from pre-kindergarten through twelfth grade, attending two conveniently located campuses off the Val Verde exit in Donna.

At MCA, students receive a well-rounded, Christ-focused, core education with several fine arts and extra-curricular athletic offerings. It is our greatest desire to see our students live their lives marked by a Biblical worldview and to provide support to families as we pursue this goal together. In order to accomplish this, MCA seeks to maintain low tuition costs as well as providing tuition scholarships for families in need of financial assistance.

We look forward to seeing God provide for us again this year. Thank you in advance for your consideration to support the present and future students of Macedonian Christian Academy!
